

## THE OUSDEN VILLAGE HALL NEW BUILD

### LOTTERY

Dear Village Residents,

As part of our fundraising strategy we are introducing an Ousden village hall new build lottery to raise funds for the building of our new village hall. This lottery will replace the original Village Hall Community Draw.

By joining this lottery not only do you have the chance of winning some great cash prizes but at the same time you are supporting your village hall new build, which will provide a real hub of activities and events for our village community.

We intend to hold a draw four times a year, at a cost of £13 per quarter, per ticket (equating to £1 per week), with draws on the 1<sup>st</sup> of October, January, April and July. The draw will be open to village residents and friends and family from outside the village who are over the age of 16. You can purchase multiple tickets per household and per person.

To reduce admin, ticket money will preferably be collected by standing order, although cash payment is also possible.

Provided we have 100 entries, we will have 6 prizes per draw of:-

1<sup>st</sup> prize-£250

2<sup>nd</sup> prize-£150

3<sup>rd</sup> prize-£100

4<sup>th</sup> prize-£75

5<sup>th</sup> prize-£50

6<sup>th</sup> prize-£25

(this equates to prize money of 50% of the funds received, prize money will be adjusted according to number of entries. The more people that enter the greater the prize money!).

Prize winners will be displayed on our village hall notice board, on our village website and on our facebook page. Winners will also be contacted by either email or telephone.

If you would like to enter our draw please complete the attached form (**the deadline for the first draw is the 24<sup>th</sup> September**), please find details on the form to set up your standing order (or otherwise please provide your address and we will call round during each quarter to collect your cash payment). Many thanks for your support,

Kind regards,

The Ousden Village Hall and Playing Fields Committee (charity no. 304932)
