- Their summer road resurfacing programme has started.

- They are trying to improve air quality by encouraging vehicles not to idle especially outside schools, carparks and in town centres.
- Adult and social care takes up a large amount of SCC funding.
- SCC is supporting families through its Strong Families Partnership.
- Funding continues to be a challenge. Suffolk is one of the poorest funded counties for education.
- Local Government reorganisation will move to a unitary model. SCC has proposed one unitary council, district councils have put forward alternative proposals.

- The hall is being used regularly as is the playing field.
- The Ramblers use the carpark regularly.
- There is currently no cleaner for the village hall.

- They have a new fundraiser who they are hoping will make a lottery bid for the Village Hall Committee.

A location for a new tree and the circular bench was agreed, on the other side of play equipment (Littly Wood side). John Gale agreed to install the circular bench there. A new tree will be planted in the autumn.

**5. Neighbourhood Watch Report.**

*Over recent years I have been able to report that crime has been very low in Ousden with only one or less real incidents. This year is much the same with no actual burglaries reported although we do seem to get more reports of people looking to commit crime. Below are two recent incidents that could have ended in a worse outcome.*

**28th March 2025** – Incident SC-28032025-1 – After being disturbed a dark pick-up truck with a cab over the back (possibly a Nissan Navarra) came down the byway at speed between Hoyes Cottage and Beechwood at Lady’s Green at midnight and smashed through the barrier at end of byway before taking off at speed towards Hargrave. It was reported to the Police but no action was taken.

**Tuesday, 15th April 2025** – Break in to a garage building at Ousden House at around 9.45pm. It is believed that nothing was taken when the burglar was disturbed by a passing neighbour, the neighbour then alerted the owners. The burglar fled in a vehicle – no description of the vehicle was reported. It is not known if the owner reported the incident to the Police.

There were other issues in and around the village which were not officially reported but it’s clear that we need to keep an eye out for suspicious activity.

Finally, please contact Helen Gale your ‘neighborhood watch coordinator’ if you see or hear any suspect activities in or around your village as she is regularly in contact with the police and other enforcement/support groups and can get messages to other villagers quickly when required.
